

Welcome,

The Peace Chamber / Earth's Ancestral Voice, is a non profit organization. Besides many activities available here, you can also rent the chamber and or grounds for your own private event.

Retail Fees

Grounds: \$200 per day

Chamber: \$200 per day

Both: \$300. Per day

(No half day rentals apply) At the present time these are rustic accommodations and the fees include a Port-a-Jon rental for your comfort and convenience.

EAV liability releases must be signed by all concerned persons who plan to be on the property. Please have these signed and returned to us prior to your event/rental. You will be sent a copy of this release when we receive your deposit of 1/2 rental fee.

NOTE: Since these grounds are also used by traditional people ... there will be no use of ceremonial structures ... i.e. (sweat lodge) by anyone without prior approval.

Private lodges:

If there are those who would like to have private ceremonies offered to you, such as a sweat lodge, there are fees incurred for the cost of the ceremony.

These are: Wood: \$50 and Fire keeper: \$50

It is also customary to give a love donation to the elder who is officiating this ceremony for you. A suggested honorable donation in exchange for the time and knowledge this elder will give you is from \$100 to \$300 depending on your circumstance or request.

Please contact us at: peace.chamber@yahoo.com if you have any questions or visit our website at <http://www.peacechamber.com> .

We look forward to sharing this sacred space with you.
